SUMMARY:

Chatterpix Kids can make anything talk -- pets, friends, doodles, and more.

Simply take any photo, draw a line to make a mouth, and record your voice. Then share your Pix with friends and family as silly greetings, playful messages, creative cards, or even fancy book reports.

ELA: book reports, poetry, stories from the point of view of inanimate objects, speeches about historical figures, class/school announcements, vocabulary review, animate a classroom rules poster, word walls

Math: review math concepts and vocabulary, record how to teach a concept or directions for small group instruction, make manipulative talk and state their purpose, Number Talks

Across The Classroom

Science Lab Safety: Have the tools explain what they do

Art: Make a child's artwork come alive and tell the process of how it was created

SEL: Create characters that tell problems from different points of view and work to solve them together
