

iExploration

Let's explore another new app today. Our goals for app exploration are to become familiar with features and to brainstorm ideas for using the app in our language arts classroom.

App Name:

Where is it located (in a folder?):

How could you use this app in language arts?

What are some projects you could create using this app?

What do you like most about this app?

Any special discoveries or "a ha" moments?

What problems could the app solve?
