

iFiles URL <https://drivegate.eanesisd.net/oneNet/NetStorage>

1. Open the app, QRafter
2. Tap the *SCAN WITH CAMERA* button in the center
3. Move your iPad so the QR code shows in the window, the APP will beep and the QR code you scanned will show below with the URL to the left
4. Under *ACTIONS* on the right, tap *COPY TO CLIPBOARD* (you will have to push the window up to see all the actions listed) then you can go to iFiles, press and hold to choose *PASTE* where you need the URL

Push up the *ACTIONS* window to choose *COPY TO CLIPBOARD*
