

SUPER DROPS

By: Camryn, Gus, Saia, Maddy,
Navya

The Super Drops fell from the sky

That's runoff

The Superdrops Landed
on a roof and slid off.

WE'RE FALLING
DOWN THE
ROOF!

That's collection

The Super Drops landed
in a puddle

BLOOP!

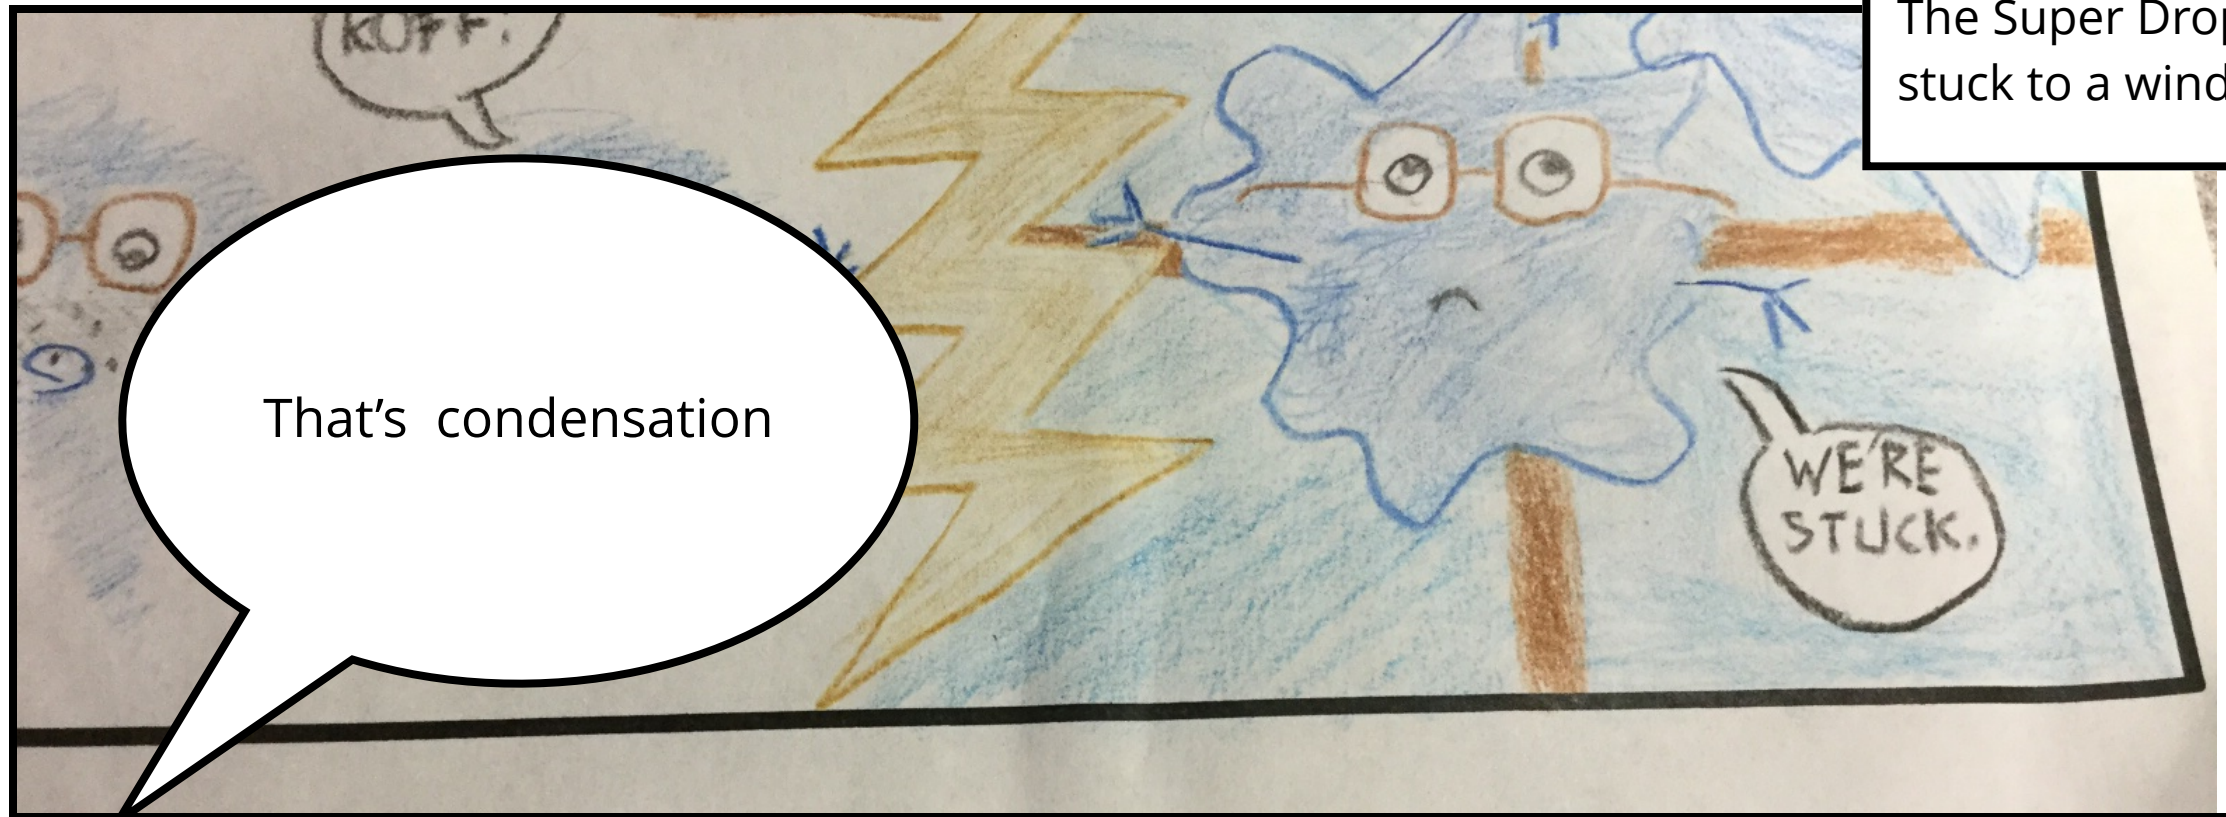

They evaporated

There evaporating

The Super Drops
stuck to a window

That's condensation

Then they disappeared!

They're gone

**THE
END**
