

# Squash

Yellow as runny yoke  
I am hoping this is a joke  
Flat and mushy  
Mom is being pushy  
Thick and soft  
My sister and I just coughed  
Looking at my brothers yummy dessert  
Man this squash is gonna hurt  
Have to eat it to leave the table  
My mom just took away all my TV cable  
I guess I'll have to shove it down my throat  
I might as well just swallow a coat  
There goes one swallow  
Another painful one will follow
